

SKIP-A PAYMENT FOR ONLY \$35

For a fee of \$35, you can skip one of your summer loan payments and put some extra money in your pocket!

Members in good standing are eligible to skip a LCCU loan payment. I understand that taking advantage of this option extends the terms of the affected loan(s) by the amount skipped and that interest will continue to accrue on the balance of the loan throughout the deferred payment period.

Select which month you'd like to skip your eligible LCCU loan payments*

By signing and returning this form along with \$35 per eligible loan, you are requesting Light Commerce to advance the due date equal to one month's payment on all of your eligible loans unless otherwise specified. You also understand that skipped payments may affect GAP Insurance claims and payments
